## **SB 2702 - HB 2620**

March 3, 2000

**SUMMARY OF BILL:** Provides for the State Capitol Commission to establish a policy relative to approval of statues, monuments or other memorials to be placed on the Capitol Building and on Capitol grounds.

Current law requires the State Capitol Commission to establish a policy relative to historical commemorative additions and improvements such as statues and monuments on the Bicentennial Mall.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - Not Significant**

Estimate assumes any costs to develop a guideline document for use by the State Capitol Commission can be handled within existing budgeted resources. Any cost to administer such guidelines would also be absorbed within existing operating budgets.

*The Department of General Services indicates that in practice, the Commission already approves all historical commemorative additions and improvements in the Capitol and on Capitol grounds, including statues, memorials and monuments, although no formal policy has been adopted.*
